Vijay Subramanian

015510403448 | vijay.uni18@gmail.com | Aachen, North Rhine-Westphalia, Germany

Summary

I am currently a Bachelor's Degree Student of Informatics at RWTH Aachen University. I have a passion for technology and a commitment to lifelong learning. My educational background includes the Cambridge International GCSEs, AS & A Levels. I have certifications in Microsoft Technology Associate for Programming using Python and as a Microsoft Office Specialist. In addition to having a high-level proficiency in English (C2) and German (C1), according to the CEFR, I have a good basic knowledge of various programming languages, namely HTML, CSS, JavaScript, Java, Python, C, and I have certifications in Responsive Web design & Frontend Development Libraries as well. As an energetic and dedicated person, whether working on a project with colleagues or participating in a team sport, I always strive to be a supportive and reliable team member.
